ABOUT US:

Indy Dance Academy is a state of the art developmental facility offering curriculum based classes, for a variety of ages and abilities, designed to promote body and mind awareness within the students dance education. We are committed to providing high quality, positive instruction in all facets of dance, movement, conditioning, technique and choreography.

Our diverse schedule serves students ages 18 months through adult, from the beginner to the pre-professional. We offer Mommy & Me and Music and Movement for our youngest dancers, ages 18 months to 3.5 years, which introduces movement, coordination and beginning dance skills. Pre-Dance Combination classes that introduce Ballet, Tap and Jazz are classes for our younger students. We also have beginner through advanced classes in Ballet, Contemporary, Jazz Technique, Hip Hop, Lyrical, Musical Theater, and Tap.
